

HETI KIRKAS

Rinse aid for dishwashers

Use

HETI Kirkas is an effective liquid rinse aid for dishwashers that helps dishes dry quickly and adds a stainless shine.

The rinse aid dispenser is connected to the automatic dosage and the empty dispenser is changed to a full one when needed. In dishwashers with manual dosage, the rinse aid is poured into the dishwasher dispenser.

Dosage

On average 1-2 ml per 10 L of water. The drying result determines the final dosage. In smaller dishwashers, the dosage is adjusted in order to achieve a good drying result.
