Glossy floor polish

Purpose of use

A floor polish for standard and local polishing of any waxable floor surfaces that can be polished.

Properties

- Excellent hard-wearing resistance
- Spreads easily and evenly on the floor surface
- Leaves a beautifully glossy surface that does not scratch easily
- Very durable against mechanic and chemical wear, such as HS and SHS methods, hand disinfectant and alcohol

Use

Shake well before use. Always use the floor polish on well-cleaned and dry floor surfaces. Dose the polish directly to the floor or a tool such as a polishing mop. Depending on the porosity and use of the floor, apply about 1-2 layers of polish, 3 if necessary. Can also be used for polishing spots on the floor. Let the surface dry for about 30 minutes before applying another layer.

You will need one liter of wax per 60-120 m², depending on the porosity and condition of the floor.
