

HETI Puhdas Joutsen

All-In-One dishwashing tablet 100 pcs/box

Product description

HETI Puhdas Joutsen All-in-one machine tablet is designed for dishwashers where the detergent is dispensed manually. HETI Puhdas Joutsen All-in-one machine dishwasher tablet cleans and brightens dishes effectively. In addition to cleaning power, one tablet contains a water softener, a glass protector and a rinse aid. The tablet dissolves quickly, so the washing performance is good even in shorter programmes. The tablets are packaged in a water-soluble, biodegradable protective wrapper, making them safe and easy to handle.

Use - Remove food debris from dishes. Pre-rinse very dirty dishes. - Place the tablet in the dispensing tray provided. Do not remove the protective film. - Select the eco-programme. The recommended washing temperature is 45 - 70° C. - No separate rinse aid or machine salt is required (except in hard water areas) - Dishes containing gold, silver, wood or aluminium may be damaged by machine washing.

Composition

15-30% acid-based bleaching agents, 5-15% polycarboxylates, 5% non-ionic surfactants and enzymes

Instructions for storing

Store in a dry place.

Country of origin

Italy
