

LV

Biohajoava nestesaippua Biodegradable Liquid Soap

For sensitive skin

LV Biodegradable Liquid Soap is ideal for washing your hands and your entire body every day. A gentle product that does not dry out or irritate your skin. LV Liquid Soap does not contain fragrances nor colourants and it is suited well for people with sensitive skin. LV Liquid Soap is made of real soap and does not contain surfactants, making it suitable for those allergic to surfactants.

Instructions of use

Ready-to-use product for washing the body. Rinse thoroughly with water. Wipe the nozzle clean before use to ensure that it does not get clogged by dried soap.

Packaging and environment

The packaging of the bottle is made of PE-HD and the closure is made of PP plastic. The bottle and the closure are suitable for plastic recycling separately. The packaging board is sorted for cardboard collection.

The biodegradability of LV Liquid Soap has been tested according to OECD criteria. The product degrades by 67% in 7 days and the total degradability in 28 days is more than 83%.

Shelf life and best before

Shelf life 3 years after manufacture unopened, 12 months if opened.
