## Washing cream

Caring washing cream

Contains glycerin

LV Washing cream is suitable for everyday wash of dry and sensitive skin. It can be used for washing the skin between diaper changes or for washing the whole body of bed and incontinence patients. It is a gentle washing cream that contains ingredients that protect, nurture and moisturize the skin.

The product does not contain any fragrances or colourants and it is developed in cooperation with Finnish Allergy, Skin and Asthma Federation. LV Washing cream is excellent for waterless washing but it also dissolves in water.

### Instructions of use

Apply the washing cream on dry or moisturized skin or on a wipe. Clean the skin and remove the washing cream. The skin does not need to be separately rinsed with water.

### Packaging and environment

The packaging of the bottle is made of PE-HD and the closure is made of PP plastic. The bottle and closures are suitable for plastic recycling separately. The packaging board is sorted for cardboard collection.
