

# HETI HELEÄ

Matte floor wax

## Purpose of use

Half-matte/matte floor wax for waxing all waxable surfaces.

## Properties

- Forms a hard-wearing half-matte/matte surface
- Spreads easily and evenly
- Very durable against mechanic and chemical wear, including hand disinfectants
- The wax prevents the formation of black shoe prints due to its special composition
- Fragrance-free
- Step-proof

## Use

Shake well before use. Always use the floor wax on well-cleaned and dry floor surfaces. Dose the wax directly to the floor or a tool such as a waxing mop. Depending on the porosity and use of the floor, apply about 1 or 2 layers of wax, 3 if necessary. Can also be used for waxing spots on the floor. Let the surface dry for about 30 minutes before applying another layer.

You will need one liter of wax per 60-120 m<sup>2</sup>, depending on the porosity and condition of the floor.

## Product numbers, package sizes and EAN

15767715

5 L

6414504942812

## Packaging and environment

The product must not be released into bodies of water or soil undiluted. Small amounts can be disposed diluted or by releasing into the sewer system, if necessary. Large amounts are disposed of according to the regulations of the local waste management authorities.

The can, plug, label and plastic wrap are made of reusable PE plastic. PE plastic can also be utilized in material recycling and energy production.

## Storage

Must be stored in room temperature. Do not let the product freeze. Can be stored for two years from the date of manufacture, when properly stored.

## Made in

Finland

## Composition

< 5% Phosphate  
Phenoxyethanol  
Butylbenzothiazolinone  
Laurylamine Dipropylenediamine
