## Huuhteluaine

For sensitive skin

Specially developed for professional use, LV Huuhteluaine takes care of the fibers of the fabric, restores their natural softness and removes elasticity, facilitating the aftertreatment of the laundry. Suitable for both machine and hand washing. LV Huuhteluaine does not contain perfumes, colorants and is entitled to use the label of Finnish Allergy, Skin and Asthma Federation.

### Use

Apply as instructed:

- Machine wash n. 30 ml / 3-5 kg laundry
- Hand wash n. 25 ml / 10 L water

### Packaging and environment

The cardboard in the packaging can be recycled. The canister, bottle and label are made of reusable PE-plastic and the cap of PP plastic. PE and PP plastic can also be utilized in material recycling and energy production.

The product must not be released into bodies of water or the soil if undiluted. Small amounts can be diluted and disposed of by releasing to the sewer system. Large amounts are disposed of according to the regulations of the local waste management authorities.
