

MATTO

Textile surface cleanser

HETI Matto is suitable for cleaning textile surfaces and removing stains. Effective and economical liquid cleanser for basic and periodical cleaning of textile floor materials, rugs and furniture upholstery. HETI Matto is suitable to be used in carpet extraction machines, roller machines and similar machines. The product is suitable for cleaning wool and hard surfaces.

Use

- fragrance-free
- easy to use
- effective

Prepare the solution in the water container of the cleaning machine. If the dirt is fixed, let the solution rest a while. You can increase the effectiveness of the cleaning by brushing it. Vacuum the surface so that it is dry. If necessary, rinse with clean water. If the surface is especially dirty, the solution can be spread on the surface using a spray nozzle before mechanical cleaning.

Dosage (ml/liter of water)

For washing textile surfaces: 20-100 ml/ 5 liters
For stain removal: 100 ml/ 1 liter

Can also be used as such for removing difficult stains.

Ingredients

< 5% Nonionic surfactants
