

## smartOne

The new single-use HF accessory line  
Safe and easy!

**Available soon!**

# smartOne

The smarter solution for the OR

Curious?

# smartOne

## The smarter solution for the OR

### We extend our smartLine product portfolio!

Currently our smartLine range includes maXium® smart C, smart Beam, smart Vac and smart Cart.

With our smartOne solution we expand our product portfolio with premium quality single-use accessories.

**The advantages are:**

- Easy handling and safety in the OR
- Special coating prevents tissue adhesion
- Cost effective
- Individual sterile packaging
- No need for cleaning and sterilization

## smartOne Vac

- Integrated smoke evacuation handles capture effectively smoke directly from the operating field
- High flexibility due to telescopic function of the combined tube and electrode
- Special Vac handle with slim ergonomic design
- Unique Vac electrodes for various indications
- Clean air and a clear view

Exchangeable Vac accessories

Continuously expandable

Surgical smoke in the OR contains risks for the OR staff and the patient. The following associations recommend to use a smoke evacuation system in combination with electrosurgery: AORN, EORNA, OSHA, NIOSH.

**Unique Vac accessories for various indications**

## smartOne Handles

- Hand activation with push-button or rocker switch
- Ergonomic slim shaped design
- Versatile use through 3-Pin connection
- Special coated electrodes

## smartOne Electrodes

- Wide selection of different types and lengths
- Hexagonal lock for high safety standards
- Easy exchangeable through molded rings
- Special coated electrodes
